Baseq Al Khalediah was the champion 3-year-old in France in 2010. He was second in his first start and then won his second start, the Qatar Total French Arabian Breeders' Challenge (Gr.1 PA) at 1 mile and a quarter.

His first foals are 2-year-olds in 2018, and he is the only son of Tiwaiq standing in the U.S.

His sire is the desert-bred stallion Tiwaiq, sire of **NASHWAN AL KHALIDIAH** (1st Zaabeel International S. (Gr.1 PA), etc.), **JALNAR AL KHALIDIAH** (1st Prix Manganate-Shadwell (Gr.1 PA), etc.), **RAWDAT AL KHALIDIAH** (1st Ali Riza Bey Trophy (Gr.2 PA), etc.), **HAYAT AL KHALIDIAH** (1st Prix Nevadour (Gr.3 PA)), and **MUQATIL AL KHALIDIAH** (multiple group winner in Poland, France and Holland).

His dam, **Keheilan** was stakes-placed in Qatar and is the dam of **MUHANAD AL KHALIDIAH** (stakes winner in Morocco) and **Aghareed Al Khalidiah** (group 2-placed in France). She is a daughter of French Derby winner **KESBEROY**, sire of many winners including **AL SAKBE** (Dubai International S., etc.), **KERRA** (1st International Arabian Cup Distaff (Gr.2), etc.), **BRAISE DE GHAZAL** (1st Abu Dhabi International Oaks, etc.), and **Virgule Al Maury** (stakes-placed winner in France, leading sire twice and leading broodmare sire twice in U.S.).
